

Behind the Scenes External Tour Nottingham Castle site

1 December 2018, 10am – 12 noon

FREE to National Lottery players

Nottingham Castle may be closed to the public for completion of its National Lottery Funded transformation, but for one day only the gates will be opening for a sneak peek at what's been happening.

Join members of the Project Team on a tour of the grounds to see changes on site and hear about the next stages of the project.

Also included is an optional journey down Mortimer's Hole cave route (this will add 30 minutes to your tour time). This Behind the Scenes Tour is exclusively for National Lottery players only!
